PRESS RELEASE

September 20, 2013

On Thursday afternoon Delaware County Sheriff's Deputies and Investigators, assisted by K-9 "Ozzie", executed a Search Warrant in the Town of Franklin, seized marihuana and arrested the grower.

Investigators, acting on information provided by a witness, obtained and executed a Search Warrant at a Snake Hill Road, Franklin, property and residence. A search of the property, residence and outbuildings led to the seizure of seven large marihuana plants, several drying marihuana plants, approximately one ounce of processed marihuana, a quantity of hashish, drug paraphernalia and several long guns.

Deputies arrested and charged Lee M. March, 33, of Burt Washburn Road, Otego, and Snake Hill Road, Franklin, with Criminal Possession of Marihuana in the Second Degree, a class D felony, and Unlicensed Cultivation of Marihuana, an unclassified misdemeanor.

March was arraigned in the Town of Hamden Court and was released on recognizance pending further court action.

Sheriff Mills and I continue to be extremely proud of our Criminal Investigators and Deputies in their efforts toward drug eradication from our County! The addition of our K9 program (Ozzie) has proven to be a valuable resource to our Office and good citizens we serve.
