## PRESS RELEASE

December 20, 2013

On Thursday evening a Village of Walton resident was arrested by Delaware County Sheriff's Deputies, with assistance of the Walton Village Police Department, on a Sealed Grand Jury Indictment warrant.

The Indictment and Arrest are the result of a lengthy investigation conducted earlier this year by the Delaware County Sheriff's Office Criminal Investigation Division in conjunction with the Village of Walton Police Department.

On Friday afternoon 46 year old Kevin R. Edwards of Walton was arraigned in Delaware County Court before the Honorable Carl F. Becker on an Indictment charging him with Criminal Sale of a Controlled Substance in the Third Degree, a class B Felony. Edwards is accused of selling cocaine in the Village of Walton in April of this year.

Edwards was remanded to the Delaware County Correctional Facility without bail pending further court action.
